MESSAGE

I extend my warm greetings and best wishes to the peoples of SAARC Member States on the occasion of the 39th SAARC Charter Day.

The founding objective of the SAARC – to work together for the benefit of the people of South Asia – is possible only in an environment of peace and security. India remains committed to realizing this objective and will continue to adopt a cooperative and positive approach in this regard.

While we celebrate the anniversary of the SAARC Charter Day let us resolve to work together to realise the shared vision for a peaceful and prosperous South Asia.

(Narendra Modi)
